This finishes an excellent Essex League season for the club as our Division Four team were already crowned division four champions in March.

A big 'WELL DONE' to all swimmers who swam so well on Saturday evening and to all those swimmers who have represented the club in both teams throughout the season.

PLUS..... a big 'THANK YOU' to all parents and helpers who helped on both Saturday evening and throughout the season. Without your help we wouldn't have been able to run these galas and helped our swimmers to be so successful.
