

Arena League Division 2 - Round 1

Saturday 12th October, 2013

BPSC made a tremendous start in their Arena League campaign with a brilliant victory at Borehamwood. The swimmers amassed 354 points in the 50 event competition, winning 32 of the races. The swimmers performed exceptionally well despite battling against the waves bouncing off the side wall as head Coach Doug Campbell drew lane 8 for the competition!

Whilst there were too many brilliant races and results to comment on, here is a breakdown showing our victories on the evening:

Round 2 will take place on Saturday 9th November and we await the venue and the list of our next opponents. The Arena League is a "Team Event" so please make sure that if you are selected to represent the club you make every effort to give your 100% on the evening.

Many thanks to our officials who made sure of the smooth running on the competition and to the many supporters in the balcony who were in good voice, cheering on the swimmers.
