SWIM CLUB MEMBER WHO PLAYS WATER POLO AS WELL			
Standard swimming fees as above plus 1st water polo session free			
Standard swimming fees as above plus £10 for 2 water polo sessions			

Please note that the club is run on a non-profit making basis and all fees go towards club running costs. The committee aims to keep the overall costs as low as possible in the interests of all swimmers and parents.

The costs of monthly fees are set, based on the annual expenditure of the club and take into account the total cost of pool hire and coaching costs throughout the year. These costs are then divided into 12 equal monthly payments. Summer and Christmas shutdowns have been allowed for in these calculations as have a small number of cancelled sessions throughout the year. Therefore, reductions in monthly fees are unable to be given for these events. Similarly if holidays are taken outside of shutdown periods, reductions in monthly fees cannot be given as pool hire and staff costs still need to be met from club funds.

If you are experiencing financial difficulties the club does have a policy in place to review/assess individual cases to consider a reduction in fees, normally on a temporary basis. Please contact the Welfare Officer Rachel Gray, in person or by email welfare@phoenixbasildonsc.org, if you wish to discuss an individual issue. All discussions will be dealt with in strictest confidence.

Please revise your Standing Order in order that correct payments are made from 1st September
