

Five weeks have passed since the last BPSC club records update. In this time there have been plenty of opportunities to re-write the BPSC records books, with BPSC swimmers competing at East Region Winter SC Championships, 2nd Leg of the National Arena league, and of course the BPSC Club Championships 2015.

The Stats

Once again BPSC swimmers have set new bench marks for what is needed to be included in the BPSC hall of fame. 43 new records were achieved, of which, 37 were overall age-group records and 6 were short course age group records. Within the 37 age group records were 4 new overall club records and 1 overall short course record.

Club Champs was the biggest contributor of records with 26, 13 were achieved at Luton for the East Region Winter SC Championships and 4 achieved at Arena League.

Congratulations to the swimmers that have broken new overall Male/Female BPSC club records and overall BPSC Short-course records.
