

Club Record Update

1st November 2015

With the BPSC Summer break in August still fresh in our memories, the swimmers have already hit the ground running, breaking 59 short course club records and making their mark on the new 2015/16 season.

Of the 59 records, there were 51 new overall age group records, 7 overall club records, and 3 overall short course records.

Congratulations to the swimmers that have broken new overall Male/Female BPSC club records and overall BPSC Short-course records.

- **Brooke Frost** - Breaking her own 50m Backstroke record in October.
- **Vejune Petraityte** for achieving both the 50m & 100m Breaststroke club records in October. Vejune's 50m time of 34.91 was a massive PB and a great performance for a 13 year old.
- The girls overall 200 metres breaststroke record which has stood since November 2010 has been broken twice in the last two months, firstly by **Caitlin Watson-Dotchin** in September, then again shortly afterwards by **Rianna Smith** in October.

- **Harry Fox** – Setting the new benchmark for 1500m, with the first BPSC sub 17 minute time of 16m 57.30s in October.

There were also a few long standing BPSC Short course club records broken that are worthy of a mention.

- **Ruby Wheeler's** recent 50m breaststroke time at Southend, for 9 year old girls has broken a short course record which has stood since October 2010. A record set in September 2010, and the first ever gala the new club entered after its formation in the same month. This short course record was previously held by **Ciara Rafferty**, who is still at the club.
- **Caitlin Watson-Dotchin** has broken the girls 100m & 200m breaststroke records for the 14 years age group, previously held by Kathryn Pearse since November 2010.
- The girls 200m butterfly record for the 14 years age group, previously held by Kathryn Pearse since November 2010, has been broken by **Bryony Umfreville**.
